

PRESS RELEASE

A delegation of the Agency for Electronic Communications and Postal Services of Montenegro (EKIP), led by Dr Šaleta Đurović, President of the Agency Council, paid a visit to the Agency for Communication Networks and Services of the Republic of Slovenia (AKOS) in the period from 15 to 17 January 2014.

In the spirit of previous successful cooperation and for the purpose of improving the relations, the presidents of AKOS and EKIP, Mr Franc Dolenc and Dr Šaleta Đurović, signed on that occasion the Memorandum of Understanding between the two agencies. The representatives of EKIP took the opportunity of the visit to exchange experience with their Slovenian counterparts.
